Message about Form 990-N (e-Postcard)

Your organization may be required to file a Form 990-N

Our records show that your organization may be required to file an annual electronic notice (e-Postcard), Form 990-N.

What you must do immediately

If your organization already filed its annual information return (Form 990, 990-PF, or 990-EZ) or e-Postcard, you don't need to do anything right now. You should continue to file a return or e-Postcard every year.

If your organization hasn't filed its annual information return or e-Postcard, it must file as soon as possible.

The annual information return or e-Postcard is due by the 15th day of the fifth month after the close of your tax period. For example, if your tax period ends December 31 and you are filing Form 990-N, your due date is May 15.

Who can file the e-Postcard Form 990-N?

- A tax-exempt organization other than a private foundation or political or foreign organization whose gross receipts are normally \$50,000 or less
- A Section 509(a)(3) supporting organization of a religious organization whose gross receipts are normally \$5,000 or less

All other supporting organizations generally must file Forms 990 or 990-EZ, even if gross receipts are normally \$50,000 or less.

To e-file your organization's e-Postcard:

- Go to irs.gov/charities.
- Type 990-N in the search box.
- Click on the link for the Form 990-N.

Dear Applicant,

We received your application for exemption from federal income tax and your user fee payment.

During the initial review process, applications for exemption are separated into two groups:

- 1. Those that can be processed based on information submitted
- 2. Those that require additional information to be processed

If your application falls in the first group you'll receive a determination letter within approximately 90 days from the date of this notice stating that you re exempt from federal income tax.

If your application falls in the second group, you'll be contacted when your application has been assigned to an Exempt Organizations specialist for review. You can expect to be contacted within approximately 180 days from the date of this notice. After 180 days, if you haven't been notified your application was assigned to a specialist, you can contact Customer Account Services Monday through Friday at the toll-free number shown above to check on its status. The individual calling on your behalf will need the following information:

- * Your name
- * Your employer identification number (EIN)
- * The document locator number listed above and assigned to your request
- * A proper power of attorney submitted with your exemption application, unless the individual calling is an officer or director and legally authorized to represent you

The IRS doesn't issue "tax-exempt numbers" or "tax-exempt certificates" for state or local sales or income taxes. If you need exemption from these taxes, contact your state or local tax offices.

Most organizations are required to file an annual information return

Form 1023 Attachment Sedona Red Rock Trail Fund

EIN: 46-4372941

Part IV: This is a new organization that has no past activities. We are currently in the organizational mode and starting to plan our public activities. The planned activities for the organization in the future are to raise public money from individuals and businesses for use in maintaining the hiking and biking trails within our area. These trails are currently maintained through volunteers and the U.S. Forest Service within its maintenance budget. But this maintenance effort lacks public support, public money assistance and the organizational structure to assist in the coordination of these maintenance projects. This organization will help in providing maintenance assistance. The organization also plans to raise public awareness on the benefits of our trail system to everyone. The organization is currently working on plans of how to involve the public as volunteers in the projects and what are the best means for raising funds to be used in assistance of these maintenance projects. All funds raised shall be used for the maintenance of public trails in and around the Sedona area.

5b. there is no compensation paid to anyone on the board or anyone involved with the organization.

5b. the board plans to regular review any situations that could be considered a conflict of interest within the organization and will not allow any board member or other involved individuals with the organization to conduct business with the organization, except within their official capacity.

13f (ii) any proposed grant given out, would have to clearly show that the purpose of the grant was for trail maintenance within our area. Also, there would be required reports on the use of funds granted and if the funds were not used for the purpose of the grant, these funds would be required to be refunded to the organization.

13g the organization will maintain a full set of books on all revenues and expenses and periodic reports will be presented to the board for approval.
